

Let Your Child's Imagination Soar!

Camp Invention is led by local, highly-qualified educators who believe in a team environment.

Here are some of the real world challenges your child could face this summer at Camp Invention in...

▶ **the CREATE program:**

Saving Sludge City™ - Help save the pollution filled Sludge City! Construct eco-friendly buildings and transportation, decontaminate the city's water and generate green solutions!

▶ **the ENVISION program:**

Magnetropolis™ - Ahoy! Set sail to the magnificent island of Magnetropolis and explore the power of magnetism. Build boats, buildings and towers!

▶ **the ENCOUNTER program:**

Lost Treasure™ - Use all of your problem-solving skills to recover the lost treasure. Create a shelter, cross a volcano, feed a hungry islander and navigate a booby-trapped passage!

▶ **the INNOVATE program:**

Power'd™ - It's alive! In a secret lab, build your own motorized creature and bring it to life while helping a mysterious scientist harness the power of nature.

"Camp Invention changed my child's outlook on science and learning."
