

Fort Zumwalt School District criteria for adding or maintaining t-shirt vendors

Any apparel vendor meeting the following criteria will be allowed to solicit orders.

Vendor must have a retail facility.

Vendor must complete the district's (VRP) Vendor Registration Packet.

Preference should be given to local vendors.

Vendor must accept payment terms of net 60-90 days, no prepayment for orders.

Orders must consistently exceed \$200 a year or the vendor will be inactivated and dropped from doing business with Fort Zumwalt.

New applicants will not be set up and assigned a vendor number until one of our locations wants to place an order and makes the request.
