RELATIONS WITH OTHER SCHOOLS AND SCHOOL DISTRICTS/
SHARED SERVICE AGENCIES

Interdistrict Relations

The Board of Education desires to participate with other school districts and educational agencies to provide programs and services to better meet the needs of the district's students whenever practical.

Private Schools Relations

The Board of Education will cooperate with parochial and private schools in matters of mutual benefit, whenever these actions are not expressly prohibited by law. The superintendent is encouraged to explore areas of mutual benefit with the administrative officers of such schools, and to recommend desirable courses of action to the Board.

Service Agencies Relations

The Board of Education will cooperate with and be vitally interested in the development and maintenance of services of all agencies providing for the welfare of the children of the district.

Adopted: April 5, 1982
Revised: August 19, 1996

Legal Refs: Mo. Const., Art. I, §§ 5, 6, 7 and 8

Fort Zumwalt School District, O'Fallon, Missouri

RELATIONS WITH COLLEGES AND UNIVERSITIES/
STUDENT TEACHING AND INTERNSHIPS

The school district shall cooperate when possible and practical with colleges, universities and other agencies which are training teachers and/or conducting educational research.

The Board recognizes the responsibility of the school system for cooperating with teacher training institutions in the placement of student teachers. The superintendent and his or her staff will prepare regulations governing the placement of student teachers which will:

Provide for placement of student teachers with outstanding teachers who will serve as their supervisors.

Protect pupils from overexposure to student teaching, and likewise teachers from excessive supervisory responsibilities toward the student teachers.

If at any time a student teacher becomes unacceptable, the district reserves the right to refuse that student teacher further teaching experience within the district.

Adopted: April 5, 1982

Fort Zumwalt School District, O'Fallon, Missouri

FEDERAL EDUCATION AGENCY RELATIONS

In addition to its interest in being informed of the availability of federal funds for education, the Board is also desirous that the administrative and professional staffs be fully informed concerning any services and/or publications beneficial to the school district that may be available from federal education agencies such as the National Institute for Education, the ERIC Clearinghouses, and the Department of Education. The superintendent will develop procedures to ensure this relationship.

Adopted: April 5, 1982

RELATIONS WITH EDUCATIONAL ACCREDITATION AGENCIES

The Board recognizes the benefits accrued from participation in accreditation agencies. As such, the Board seeks to achieve the high standards of membership for its schools in the North Central Association for Colleges and Schools, cooperating in the association's evaluations of the school system and to consider its recommendations.
